Subject: Request for Public Records – Metcalf Attack

Dear Mr. Kaufman:

This is in further response to your California Public Records Act request for “documents pertaining to the 16 April 2013 attack on PG&E’s Metcalf substation near San Jose, CA.”

The California Governor’s Office of Emergency Services (Cal OES) previously notified you it searched its records and identified records responsive to your request, and that the records were being reviewed for material that is confidential, privileged, or otherwise exempt from disclosure pursuant to the California Public Records Act. The records are still under review, and Cal OES anticipates disclosable records will be released by February 21, 2019.

Should you have any questions, please contact me at [pra@caloes.ca.gov](mailto:pra@caloes.ca.gov) or (916) 845-8968.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ryan Gronsky".
